ANTHONY J. CELEBREZZE, JR.

Secretary of State

To The Citizens Of Ohio:

It is with pleasure that I publish this update of Ohio election history known as Ohio Election Statistics.

The numbers contained in this publication are not just numbers; they are the decisions made by voters on critical issues and choices for leadership in Ohio. As such, they provide the basis for interested individuals to better analyze our state and national history.

This familiar volume is one of many publications distributed by the Secretary of State designed to provide information and better understanding of our elections system. May it serve you well.

Sincerely,

Anthony J. Celebrezze Jr

*From 1803 to 1850 the Secretary of State was elected by the General Assembly.

†The Democratic party of today claims lineal descent from the first Republican party, with President Jefferson as its founder. Authorities differ as to the date when the party dropped the name Republican and assumed that of Democrat, it being ascribed to various dates between 1805 and 1820.

‡Political parties were disorganized at the time of the election of John Q. Adams. He claimed to be a Republican, as Jefferson, but his doctrines were decidedly Federalistic. The opposition to his administration took the name of Democrat, and elected Andrew Jackson as President in 1828.
